

About F.T.C. Kaplan

For almost 50 years, FTC Kaplan is delivering quality education and learning solutions to both financial and non-financial industry. It is because that we at Kaplan believe in incorporating new methods and technology that we have gone through various transitions. Kaplan Financial offers qualifications with specialist areas such as Financial Markets, Financial services and extensive CPD programmes. Every year more than 40,000 students pass their professional exams at Kaplan from the basics of accountancy to high level management.

We have consistently delivered pass rates of 20% above the national average and hence it is not surprising that approximately 70% of all international accountancy students in the U.K. choose Kaplan Financial for their studies.

Recent highlights for Kaplan includes 2007 Queens Award for Enterprise, Tutor of the year award by PQ Magazine and 80% of National ICAEW prizewinners trained by Kaplan Financial.

Kaplan believes in 5 essential elements: Its credentials, Success, Experience, Innovation and study material.
